Comparing Travel Protection Plan Options

The Trip Cancellation Plan covers the unexpected by providing coverage for trip cancellation and trip interruption, plus accident and sickness medical expenses, baggage loss, baggage delay, trip delay and more.

Travelers seeking coverage only AFTER departure may choose the \$0 Trip Cost option. This is Post-Departure coverage and includes all plan benefits except Trip Cancellation and the optional Cancel For Any Reason (CFAR) upgrade. The Trip Interruption benefit is also reduced compared to the standard plan.

Read full plan document for specific coverage details and exclusions.
